

“COMING OUT OF RECESSION”

VIP event days

on board a luxury yacht out of “the Hamble”

Directors by Invitation

EVENT DETAILS

Directors and Managers can enjoy business with a day's relaxation talking to like-minded professionals about the challenges ahead, with the potential for understanding how others are planning to move forward.

Events have been planned for sailing days in the months of July, August and September.

The yachts range from 37 foot to 47 foot and allow groups of between 7 and 12 on board.

Every yacht comes with a fully qualified skipper and, where necessary, a first mate.

These events are open to Business Directors and Senior Managers looking to understand how business performance improvements can be supported as we come out of recession.

Selling Sciences and its partners will be available for individual discussions if required.

Information will be available on a range of solutions designed to improve business and personnel performance.

A full day's sailing including lunch on board with refreshments, and one-to-one feedback on your personal profile, is only £175.

If you would like an invitation for one of these events please email us at info@sellingsciences.com with your details so that we can send you the available dates

or phone us on +44 (0)1491 614962 to discuss in more detail.
